3. [redacted] Comment. The high volume of August shipments dispatched by the Twenty-Fourth Air Army fuel depot in Riesa which amounted to 89 tank car loads, rose up from the small volume of shipments dispatched in July. It is of interest that the monthly export depot of the Twenty-Fourth Air Army in Riesa supplies chiefly such as Parchim. During the preceding year, the depot normally supplied the harbor units; this year it mainly supplies fighter units.
